The Time To Buy

Times are good for the cattleman. There is an abundance of feed in the country. Beef is selling at a good price in ratio to the cost of the feed that it takes to make beef. Land values remain constant at a level that justifies the maintenance of cow herds. The producer of pure bred cattle of good quality is being paid a fair price for his product. Now is the time for farmers to buy pure bred cattle and for breeders to strengthen their herds.

The breeders who make up this Association, that is putting on this sale, long have been known for the excellent quality and good blood-lines of the Shorthorns that they produce. It has been my privilege to inspect nearly every animal that will be offered in this sale. It is a pleasure to recommend them to farmers and breeders as the sort from which to produce profitable Shorthorns. It is seldom that so large a part of a sale offering consists of cows with calves at foot and rebred. One cannot fail to profit from the purchase of these three-in-one lots. That is especially true when the quality and breeding is as good as will be found in this offering.

There are herd bulls listed in this catalog that are desirable for heading the best of herds. The heifers are equally attractive and well bred. No better equipment can be put upon any corn belt farm than Shorthorns such as will be sold in this sale.

I urge every farmer and breeder who sees this statment to attend the sale and to take advantage of the offering of these profit making Shorthorns for sale by auction. You will not be disappointed.

WILL JOHNSON, of The Shorthorn World.

Announcements

In this the 22nd sale of the Auglaize County Shorthorn Breeders Association we are presenting the most valuable and richly bred lot of cattle this Association has ever consigned. Few consignment sales represent as much value as will be in this sale.

The bulls are all good solid colors, good individuals, well enough bred to go in any herd. They will be in nice breeding condition and most all of breeding age.

The eighteen cows with calves at side and rebred will be the most valuable consignment that has gone through any of the twenty-two sales made by this Association. This is a strong statement, but if you come to our sale you will say it is true. Few sales sell so many good cows and calves.

As to the bred and open heifers you will find them equally as good. Half of them will be bred to as good bulls as you will find in any association. They will be in nice condition and as to their breeding, you look their pedigrees over and then come to our sale and I think you will be well pleased with the entire offering.

So if you are looking for good cattle that will be sure to make you money, be our guest April 29th at the Wapakoneta Fair Sale Pavillion.

W. H. STEVA, Manager
